SAY HELLO TO FROG STREET PRESCHOOL!

An exciting new curriculum for three-year-olds that will spark curiosity and foster a love for learning! From literacy and math to STEAM and social-emotional development, we've developed our new curriculum to meet the changing needs of young learners.

Frog Street Preschool provides nine months of research-based thematic child-centric content featuring:

- Seamless integration of literacy, math and STEAM weekly
- Conscious Discipline Strategies included to help create a positive learning environment
- Inclusive classroom support to meet every child's needs
- Mindful movement for physical development and self-regulation
- Teacher resources and support through Frog Street's digital platform
- And so much more!

FROG STREET PRESCHOOL IS A COMPREHENSIVE CURRICULUM FOR THREE-YEAR OLDS ROOTED IN EARLY BRAIN DEVELOPMENT RESEARCH.

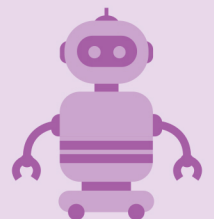

WHY CHOOSE FROG STREET PRESCHOOL?

Struggling to adapt a Pre-K program to meet the developmental needs of three-year-olds can be challenging. They're hungry for more but aren't quite ready for a rigorous Pre-K program.

We designed Frog Street Preschool as a comprehensive curriculum that specifically meets their unique needs and developmental milestones.

Frog Street Preschool is thematically aligned to Frog Street Pre-K, and introduces key concepts in literacy, math, and social-emotional development that will prepare three-year-olds for Pre-K and beyond.

FROG STREET PRESCHOOL

Research-Based: Created by leading experts in the field of early brain development and based on the latest in early childhood education research.

Comprehensive Curriculum: Provides educators everything they need for building daily routines, intentional instruction, whole- and small-group activities, and family connections.

Individualized Instruction: Inclusive strategies and supports to meet every child's needs.

Easy-to-use: User-friendly format for smooth implementation with an abundance of educator resources also accessible via our digital teacher platform.

"I love that Frog Street simplifies everything for the teachers and gives you everything you need so you don't have to spend as much time planning. It gives teachers more time to spend interacting with the children and bring everything to life for them!" -C. Harris
